Carton Quantity: 10 Piece

Min. Order Quantity: 2080 pcs

Cables, adapters and chargers... set free from their devices, they're bulky to stow. That's exactly why we created our Electronic Roll-Up. It takes the tangle out of all your go-to cords, from your laptop to your smartphone charger and everything in between. Plus it has space for smaller electronics like airpods, cordless chargers or tablets. A directional roll-up design means it fits into the slimmest carry-on. Neat.

Key Benefits

- Elastic loops hold cords
- Zippered mesh pocket and open pocket
- With buckle closure

2 Year
Warranty
